

ARU New Club & Name Change

Dear Club Representative,

To set-up access to register participants on Rugby Link & nominate for insurance coverage, a new club must be affiliated to their respective State/Territory or with their affiliated Union and must play in sanctioned State/Territory Union/ or Affiliate competition.

The new club is required to complete the following details & forward to your Affiliated Union competition manager, then to State/Territory Union for their approval and subsequently to the ARU (rugbylink@rugby.com.au).

These details will be provided to Rugby Link Helpdesk and forwarded to ARU insurance broker, Gow-Gates. The nominated club contact will be contacted by the Rugby Link Helpdesk when the new club set-up is complete and will be forwarded insurance information from Gow-Gates.
