

Rugby Link Update #5 May 2017

Rugby Link Version 3 Competitions underway

➤ 2017 Competition setup

- With many of Rugby competitions on Rugby Link remember Clubs are required to select their teams and print match scorecards pre-match. Post-match tasks include entering results, enter player statistics, incidents and injuries.
- Check out the new **AGE GRADE** and **SENIOR** rugby **POLICIES**:
<http://www.aru.com.au/runningrugby/PolicyRegister/AgeGradeSeniorRugby.aspx>.
- Plus updates on Rugby and **CONCUSSION**:
<http://www.aru.com.au/runningrugby/PolicyRegister/ConcussionProcedureManagement.aspx>

➤ Case Management – Phase 2 Releases

- Excluded and suspended players automatically removed from select team page during their exclusion and suspension period.
- Unavailable players list displays players who are marked with 'concussion', 'suspension' plus Club admin entered 'rep' or 'injury' (other than concussion) on the select team page.
- Ability to download an Unavailable Players Report listing players with a C, S, REP, INJ or *
 - C = concussion, S = suspension, REP = representative duties, INJ = injury (not classified as concussion), * = no reason has been specified.
- Competition Managers can edit 'Section A' for INCIDENTS when administering as a Club. This will remove the incidents from the Incident Discrepancy Report and add them to the Incident Detail Report when they have been matched.
 - **NOTE:** CONCUSSION cases can only have the Club Notes updated in Section A.
- Opposition incidents can now be entered without the opposition selecting their team prior to their entry.
 - **NOTE:** teams must be selected prior to the Team Manager entering their own team's statistics, incidents and injuries.
- 'Other' is now included in the Incident Reason list.
- Concussion Cases default to CONFIRMED and Suspension Cases default to NOT GUILTY at Competition Management level.
- Existing 'Suspensions/ Exclusions' page has a link to the new Case Management pages.
 - **NOTE:** this page will be removed from view in the next sprint (end of May 2017).

➤ New Rugby Link Version 3 Releases now Available!

- Accreditation Management enhancements including the ability to search for "ALL Accreditations", Smart Rugby and Foundation are now their own accreditation type plus Rugby Link Administration accreditations added to the report.

➤ New Rugby Link Version 3 Releases Coming Soon!

- Case Management – Phase 3:
 - The ability for Competition Managers to store and share case management files through Rugby Link.
- Media Extract enhancement to include initial of player in download
- Registration Enterprise Report enhancements including adding ethnicity, school and next of kin.

*As of 22 May 2017
